

# Chase Payments Quick Start Guide

Get started with Chase Payments functionality. Follow these five easy steps to begin accepting payments.

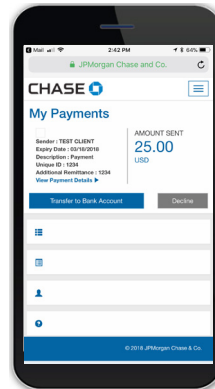

**1** Select the 'Accept Money' button in an email from donotreplyChasepayments@jpmorgan.com containing the following information: Chase logo and Payment details<sup>1</sup>

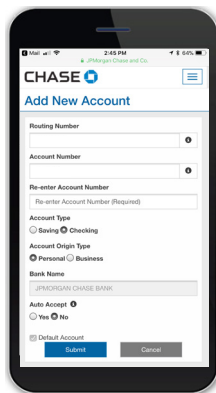

**2** Complete your registration on the Chase Payments welcome page, accept terms and conditions and select 'Sign Up'

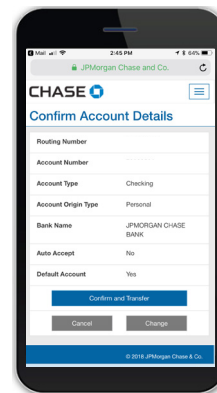

**3** Select the 'Transfer to Bank Account' button to begin the transfer of funds

**4** Enter your bank account information and select 'Submit'

**5** Reconfirm account information and select 'Confirm and Transfer'. You will see a confirmation notice that the funds will be deposited to your account

If you need assistance in accepting a payment, please call the Chase Payments Assistance number provided in the text or email.

<sup>1</sup> Or open a text message from '577-29'

<sup>2</sup> A U.S. domiciled bank account and address are required
